

Standards for NCOA Umpire Evaluations

- Maintains the same zone throughout the game.
- Is the same for both teams from inning 1 to inning 9.
- Has a grasp of how the zone can be adjusted in lopsided game. Note: Umpires "miss" pitches occasionally; just because an umpire calls a pitch that bounces a strike once does not mean that he should continue to call that pitch a strike in the name of consistency.

Hustle

- Moves with purpose during a play to get into **proper position** to cover plays. The distance to be covered by the umpire will often dictate the speed or method the umpire uses to get into position (i.e., running vs. jogging). Walking on the field is not an acceptable technique unless the distance is so short that running is not practical (e.g., moving into position for a force play or steal play, or going out on a short fly ball or line drive, etc.).

Mobility

- Possesses physical ability to move into proper position on field.
- Runs athletically and is able to keep pace with the student-athletes.
